# Boost for job hopes

A NEW service in Broadmeadows will connect job seekers and employers.

Job Prospects, a division of Service to Youth Council, will provide free recruitment, training and support for local residents and businesses.

Council spokeswoman Sarah Poppy said helping unemployed people with job searching, applications and interview skills would help them prepare to enter the workforce.

"We provide motivated, work-ready people with the right skills and attitude," she said.

"Through ongoing personalised support we build on confidence and skills."

Job Prospects can also organise work experience placements and help with preparation of resumes.

The office is at level 3, 1100 Pascoe Vale Rd. Details: 9309 2105 or [jobprospects.com.au](http://jobprospects.com.au)
